CASH MANAGEMENT BY A LICENSEE

§107.530 Restrictions on investments of idle funds by leveraged Licensees.

- (a) Applicability of this section. This §107.530 applies if you have outstanding Leverage or if you have applied for Leverage.
- (b) Permitted investments of idle funds. Funds not invested in Small Businesses must be maintained in:
- (1) Direct obligations of, or obligations guaranteed as to principal and interest by, the United States, which mature within 15 months from the date of the investment; or
- (2) Repurchase agreements with federally insured institutions, with a maturity of seven days or less. The securities underlying the repurchase agreements must be direct obligations of, or obligations guaranteed as to principal and interest by, the United States. The securities must be maintained in a custodial account at a federally insured institution; or

- (3) Certificates of deposit with a maturity of one year or less, issued by a federally insured institution; or
- (4) A deposit account in a federally insured institution, subject to a withdrawal restriction of one year or less; or

- (2) Exception: You may make a temporary deposit (not to exceed 30 days) in excess of the insured amount, in a transfer account established to facilitate the receipt and disbursement of funds or to hold funds necessary to honor Commitments issued.
- (d) Deposit of funds in Associate institution. A deposit in, or a repurchase agreement with, a federally insured institution that is your Associate is not considered a Financing of such Associate under §107.730, provided the terms of such deposit or repurchase agreement are no less favorable than those available to the general public.

BORROWING BY LICENSEES FROM NON-SBA SOURCES

§107.550 Prior approval of secured third-party debt of leveraged Licensees.

- (a) Definition. In this §107.550, "secured third-party debt" means any non-SBA debt secured by any of your assets, including secured guarantees and other contingent obligations that you voluntarily assume, secured lines of credit, and secured Temporary Debt of a Licensee with outstanding Participating Securities.
- (b) General rule. If you have outstanding Leverage, you must get SBA's written approval before you incur any secured third-party debt or refinance any debt with secured third-party debt, including any renewal of a secured line of credit, increase in the maximum amount available under a secured line

of credit, or expansion of the scope of a security interest or lien. For purposes of this paragraph (b), "expansion of the scope of a security interest or lien" does not include the substitution of one asset or group of assets for another, provided the asset values (as reported on your most recent annual Form 468) are comparable.

(c) Additional rule for secured lines of credit in existence on April 8, 1994. If you have outstanding Leverage and you have a secured line of credit that was created on or before April 8, 1994, you must receive SBA's written approval of the line before you increase the amounts outstanding thereunder.

- (d) Conditions for SBA approval. As a condition of granting its approval under this §107.550, SBA may impose such restrictions or limitations as it deems appropriate, taking into account your historical performance, current financial position, proposed terms of the secured debt and amount of aggregate debt you will have outstanding (including Leverage). SBA will not favorably consider any requests for approval which include a blanket lien on all your assets, or a security interest in your investor commitments in excess of 125 percent of the proposed borrowing.
- (e) Thirty day approval. Unless SBA notifies you otherwise within 30 days after it receives your request, you may consider your request automatically approved if:
 - (1) You are in regulatory compliance;
- (2) The security interest in your assets is limited to either those assets being acquired with the borrowed funds or an asset coverage ratio of no more than 2:1:
- (3) Your Leverage does not exceed 150 percent of your Leverageable Capital; and
- (4) Your request is for approval of a secured line of credit that would not cause your total outstanding borrowings (not including Leverage) to exceed 50 percent of your Leverageable Capital

§ 107.560 Subordination of SBA's creditor position.

(a) Debentures purchased or guaranteed on or before July 1, 1991. Under the terms of any Debenture purchased or guaranteed by SBA on or before July 1, 1991, SBA's unsecured claims against you, as a Debenture-holder or as subrogee, are subordinated in favor of all your other creditors, except to the extent that such claims may be subject to equitable subordination in SBA's favor.

- (b) Debentures purchased or guaranteed after July 1, 1991, including refinancings of Debentures previously purchased or guaranteed. (1) Under the terms of any Debenture purchased or guaranteed by SBA after July 1, 1991, SBA's unsecured claims against you, as a Debentureholder or as subrogee, are subordinated only in favor of non-Associate lenders; and, to the extent that your indebtedness to such lenders exceeds the lesser of \$10,000,000 or 200 percent of your Regulatory Capital (determined as of the date your Debentures were purchased guaranteed), SBA's unsecured claims enjoy parity with those of other unsecured creditors, except with respect to indebtedness created on or before July 1, 1991.
- (2) In order to induce others to lend you money after your Debenture has been purchased or guaranteed, SBA may agree in writing on a case-by-case basis to subordinate its unsecured claims, on such terms as it may determine, in favor of one or more of your Associates, or in favor of other lenders in excess of the amounts mentioned in paragraph (b)(1) of this section.
- (3) SBA reserves the authority to refuse to subordinate its claims if it determines, at the time you request your Debenture be purchased or guaranteed, that the exercise of reasonable investment prudence and your financial condition warrant such refusal.

§ 107.570 Restrictions on third-party debt of issuers of Participating Securities.

- (a) *General.* Temporary Debt is the only debt (other than Leverage) that you are permitted to incur if you have applied to issue Participating Securities or if you have outstanding Participating Securities. For additional rules governing secured Temporary Debt, see § 107.550.
- (b) Definition of Temporary Debt. Temporary Debt means your short-term borrowings if:
